“ Sue and Carter,
We offer our deepest sympathy to you at the passing of George who was a dear friend and brother. I'll always remember our days at Rio Grande along with the hunting and the OSU - Michigan games. George had a full life and was blessed to have both of you to share his love and happiness.

May His Memory Be Forever Eternal!

“ Sue, I was so saddened to learn of George's passing. I will keep you and Carter in my thoughts and prayers. George was my teacher on the Buffalo Campus and later in my career, we became co-workers. I enjoyed hearing the "Carter Stories", and how he would tell me of adventures that the 3 of you would encounter over weekends away from work. I always enjoyed seeing you at the school when you would visit staff. You gave him the BEST Gift you could have ever given him.....Carter.

Carter, You are so loved by your Mother and Father. They are so proud of you!

“ I am so sorry for your loss. I met George a couple of times through the NRA, Guernsey Co. Chapter. I wish I had been able to have gotten to know him better.

“ Carter, my words can never heal the wounds of your loss. Brother, the only thing which even remotely helps is to remember every precious moment. The hunting trips, the farm work, the little tidbits of wisdom he would hand out to set and keep you on a path. Remember each and every moment and it will help. Most important now is to draw closer to your mom and family. Help them to remember and each if you share your memories. It takes the pain away if but for a brief moment.

“ Saddened to hear of George’s death. I worked at Buffalo for many years with him as well as Seneca Lake. I remember how he talked about Carter so much at school with such pride relating stories of the things they did together. He was a good and honest man.
