“ I have known Mrs. Waelde for as long as I can remember. Remembering her during my childhood as always being dressed beautifully and not a hair out of place. She was a lady! May her loving family be surrounded by love and wonderful memories. She and Doc are together again.

“ This lady loved her daily newspaper and I loved delivering it to her at Riverside Manor. She always took my hand and seemed so happy to see me. It always made my day start off great. Gonna miss her!
